

MAPLE MOON

Take a tour back through time when the early pioneers of Canada were learning the craft of sugaring off. Traditionally dressed pioneers will be your guides as your class participates in hands-on demonstrations and activities. Learn about aboriginal and pioneer maple syrup-making methods. Then test your strength carrying yokes laden with sap buckets in the voyageur games. At the end of the day satisfy your sweet

tooth by trying a taste of our scrumptuous maple syrup by the warmth of the campfire.

Half Day \$150.00 minimum fee
Full Day \$300.00 minimum fee
Grade JK-12
