Existing Land Use (i.e. vacant, residential,): _____

Description of proposed works: _____

This application **must** be accompanied by FOUR COPIES of a detailed site plan and payment of a processing fee as determined by the Conservation Authority. The Site plan must include the following information:

1. General location of property in relation to roads, etc. (So we can find the property)
2. Location and dimensions of all existing and proposed structures on property and a survey plan with lot dimensions including the elevations of all exterior openings (i.e.: windows, doors etc.) in relation to final grade as well as a description of the type of building or structure and the method of construction including drainage.
3. Location of any watercourse, open water, or swamp on or near the property.
4. Intended location, dimensions and type of development (fill, construction, or waterway/shoreline alteration) proposed and an indication of the "limit of disturbance" beyond which no filling, grading, excavation will occur.
5. Statement of the proposed purpose of the works including the use of the building, structure, and proposed use of the land after the construction.
6. If fill is proposed, include the method of dumping or placing fill, and the use of the land following the completion of placing or dumping.
7. Cross-section of proposal showing existing and final grade, and any structure openings as well as any proposed alteration to an existing river, stream, creek or watercourse including a description of protective measures to be undertaken and the method of alteration.

Anticipated date upon which work is to commence: _____

Anticipated date upon which work is to be completed: _____

Please note that insufficient information may delay the processing of your application. This application does not relieve the applicant of the obligation to secure any other necessary approvals (eg. municipal, septic, MNR, Fisheries & Oceans Canada etc.) Fees subject to change without notice.

I, declare that the above information is correct to the best of my knowledge and I agree to abide by Ontario Regulation 168/06.
 I acknowledge that this application and any information or documentation obtained or otherwise prepared shall be made available for public inspection in accordance with the provisions of the *Freedom of Information and Protection of Privacy Act*.

Signature of Owner or Applicant: _____ Date: _____

Please choose one: Owner _____ Agent _____ Other _____

The information on this form is being collected, and will be used, for the purposes of administering a regulation made pursuant to Section 28 of the Conservation Authorities Act, R.S.O. 1990 Chapter C27.
