

Become a Watershed Steward!

What's Involved?

A willingness to make a positive environmental impact to your property.

What are the Eligible Projects?

Any project that can improve, maintain or protect water quality, quantity, and/or aquatic or terrestrial habitat is eligible for funding. Projects must also incorporate some aspect of public awareness or education. This may be in the form of promotional or interpretive signage, public participation in the implementation of the project or tours that showcase achievements.

Who is Eligible for Funding?

Residents or groups within the Municipality of Port Hope and within the Ganaraska Region Conservation Authority are eligible for funding. This includes the watersheds of the Ganaraska River, Graham Creek, Port Britain Creek, West Gage Creek and the smaller watersheds of Lake Ontario.

When Does Funding Occur?

Funding occurs throughout the year. Pick up your application today!
